SUMMARY

Monicah Miremba is a dedicated and ambitious professional within the software engineering field. She has solidified her expertise in software development principles and methodologies with a Certificate in Software Engineering and a one-year internship at Interswitch EA Ltd. Monicah's passion lies in leveraging technology to drive innovation and tackle complex challenges. Her practical experience in a professional setting has honed her communication, collaboration, and problem-solving skills, making her an invaluable asset to any team. Monicah is known for her proactive and adaptable nature, always ready to take on new challenges and committed to continuous learning and professional growth. She is actively seeking opportunities to apply her expertise and contribute to impactful projects within the software engineering realm.

EDUCATION

Certificate in Software Engineering – Muyenga, Uganda **June 2023– June 2024**
Refactory Uganda

Uganda Advanced Certificate Of Education **Jan 2021– Dec2022**

WORK EXPERIENCE

App Developer Intern **November 2023 - April 2024**
Interswitch EA(U) Ltd – Kampala, Uganda

- Developed a self onboarding application to be used by Agents to onboard themselves which increased the recruitment efficiency at the company by 70% and reduced the total amount spent on manual onboarding and charge given to the TDRs of the company.
- Redesigned the company's Agent onboarding Application by considering the main principles of UI/UX Designs and integrated a lot of modern features using different modern tools, this enhanced the user experience within the application and simplified the work TDR during the onboarding process.
